

Calling All  
Students!

## **This is a *call for mural design proposals* from all Otto Petersen Elementary students!**

Every Otto Petersen Elementary student will be participating in a collaborative tile mural to be installed at the entrance of the school at the end of this year! Artists Jennifer Hanson and Veronica Reeves will be helping with this school-wide project, and your help is requested! **Please submit your design ideas for the mural by Monday, February 20<sup>th</sup>. You can turn these designs in to your teacher or to room 222.**

### **Mural Ideas:**

There are some guidelines for the mural design. The mural must include the following:

An Owl and a tree

The words: Welcome to Otto Petersen Elementary: A Great Place to Learn!

And a place for the story of Hooty the Owl (by our very own Mrs. Stoel)

Please use the paper size provided (8.5" x 14") for the design.

### **Tile Ideas:**

When we decide on the design, each student, teacher, and staff member will decorate a tile following the color scheme of the overall design. These tiles will be made on paper, then digitally scanned and transferred to a ceramic tile that will be part of the permanent mural outside the school. This means you can bring in any material to decorate your tiles! Such as:

- cloth (ribbons, baby clothes, Scappoose jerseys)
- Photos of Scappoose (color copies are fine)
- Images of local wildlife, local landscapes
- Maps of Scappoose and surrounding area
- Textured objects: leaves, feathers, flowers, deflated football/basketball, etc...
- Anything we can scan that relates to Scappoose, Otto Petersen, yourself!
- ***No photos of people or logos for businesses, please.***

Because the scanning process is non-destructive, we can return items to those who want them back.
